

VIRTUAL REALITY

WORKROOMS

Bringing companies together in a virtual space

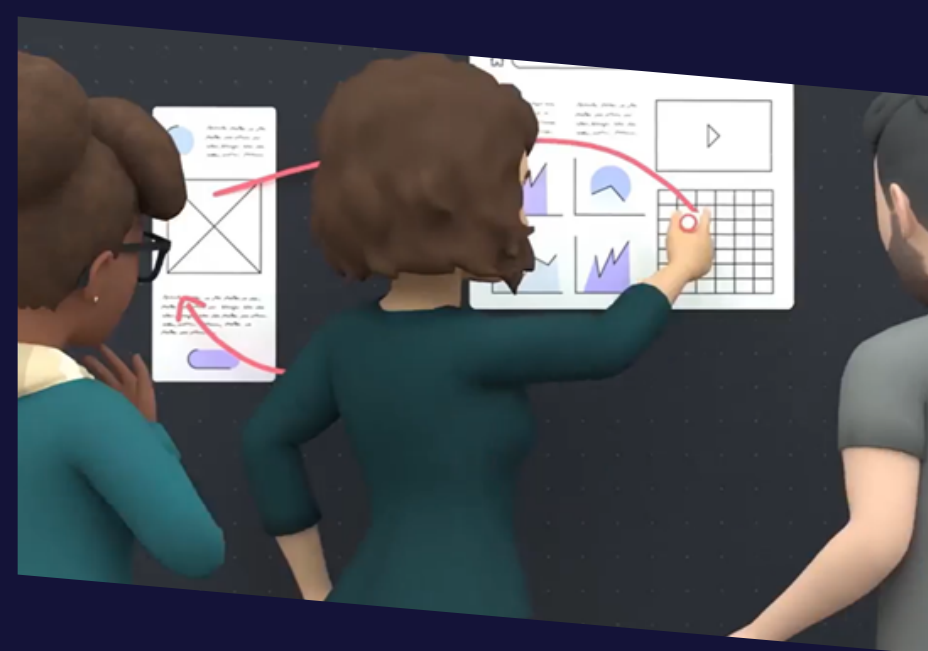

REMOTE DESKTOP OR HEADSET

Use the Meta Quest Remote Desktop app to bring your computer screen in VR, or use the Meta Quest VR headset!

VIRTUAL WHITEBOARDS

Turn any free space into a virtual whiteboard. Take notes, add sticky notes or include images.

FLEXIBLE ROOM OPTIONS

Customize your space from small conference rooms for smaller teams, to presentation rooms for larger groups.

What is Workrooms?

Workrooms is an immersive way to bring a group of people together to meet virtually through VR.

Why is it relevant?

Workrooms allows colleagues to connect together in one common space, giving them the impression that they are all together.

How can it impact learning?

Workrooms allows companies to gether in a virtual space that is interactive space to brainstorm ideas, discuss topics, or share presentations by using multiple VR features.

WORKROOMS IN ACTION!

The app and headset creates your very own virtual office space!

Write notes or give a presentation using your virtual whiteboard.

Employees can create custom avatars that move in sync!
