

Assessing LoCAL Career and Internship Processes

By: Jacob Boyanski

INTRODUCTION

- LoCAL Intern
- Analyzed data
- Learned about Internship Software's
- Conducted Professional Interviews(12Twenty,Symplicity)
- Communicating Conclusions

OBJECTIVE

- Evaluate current internship and Applied Learning registration and management processes
- Offer student’s perspective on internship process and career development resources

METHODLOGY

create spec sheet, conduct interviews, analyze data and current resources , use data to create notes/graphs/charts

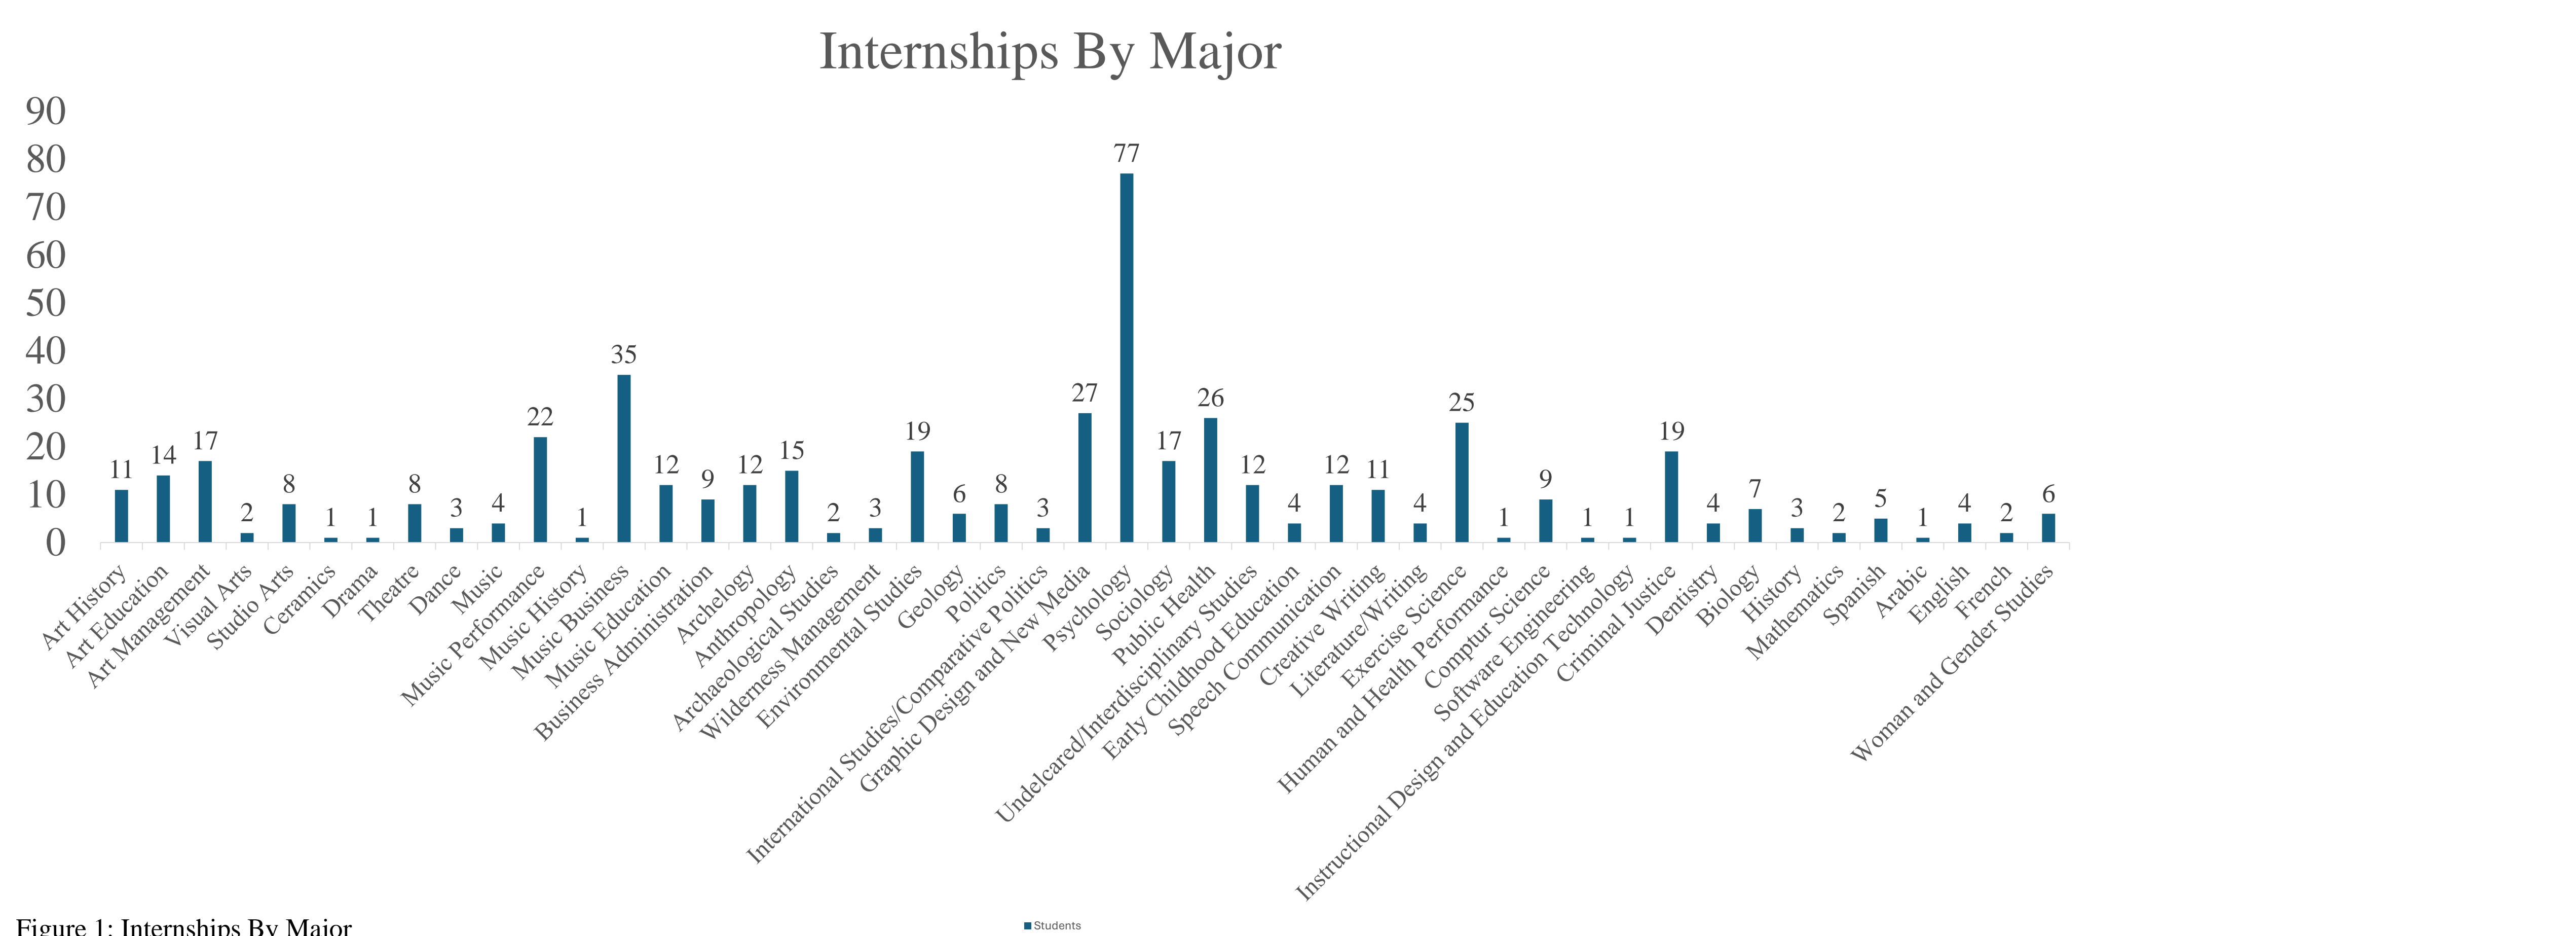

Figure 1: Internships By Major

Competencies	Employers Expectations of Importance	New Grads Proficiency Reality	Your Proficiency
Critical Thinking	94.4%	55.9%	66.7%
Communication	95.6%	46.9%	75.0%
Teamwork	92.3%	73.3%	75.0%
Equity & Inclusion	86.2%	76.1%	83.3%
Professionalism	91.2%	48.6%	100.0%
Technology	74.0%	76.8%	91.7%
Career & Self-Development	68.0%	43.2%	66.7%
Leadership	54.1%	29.0%	75.0%

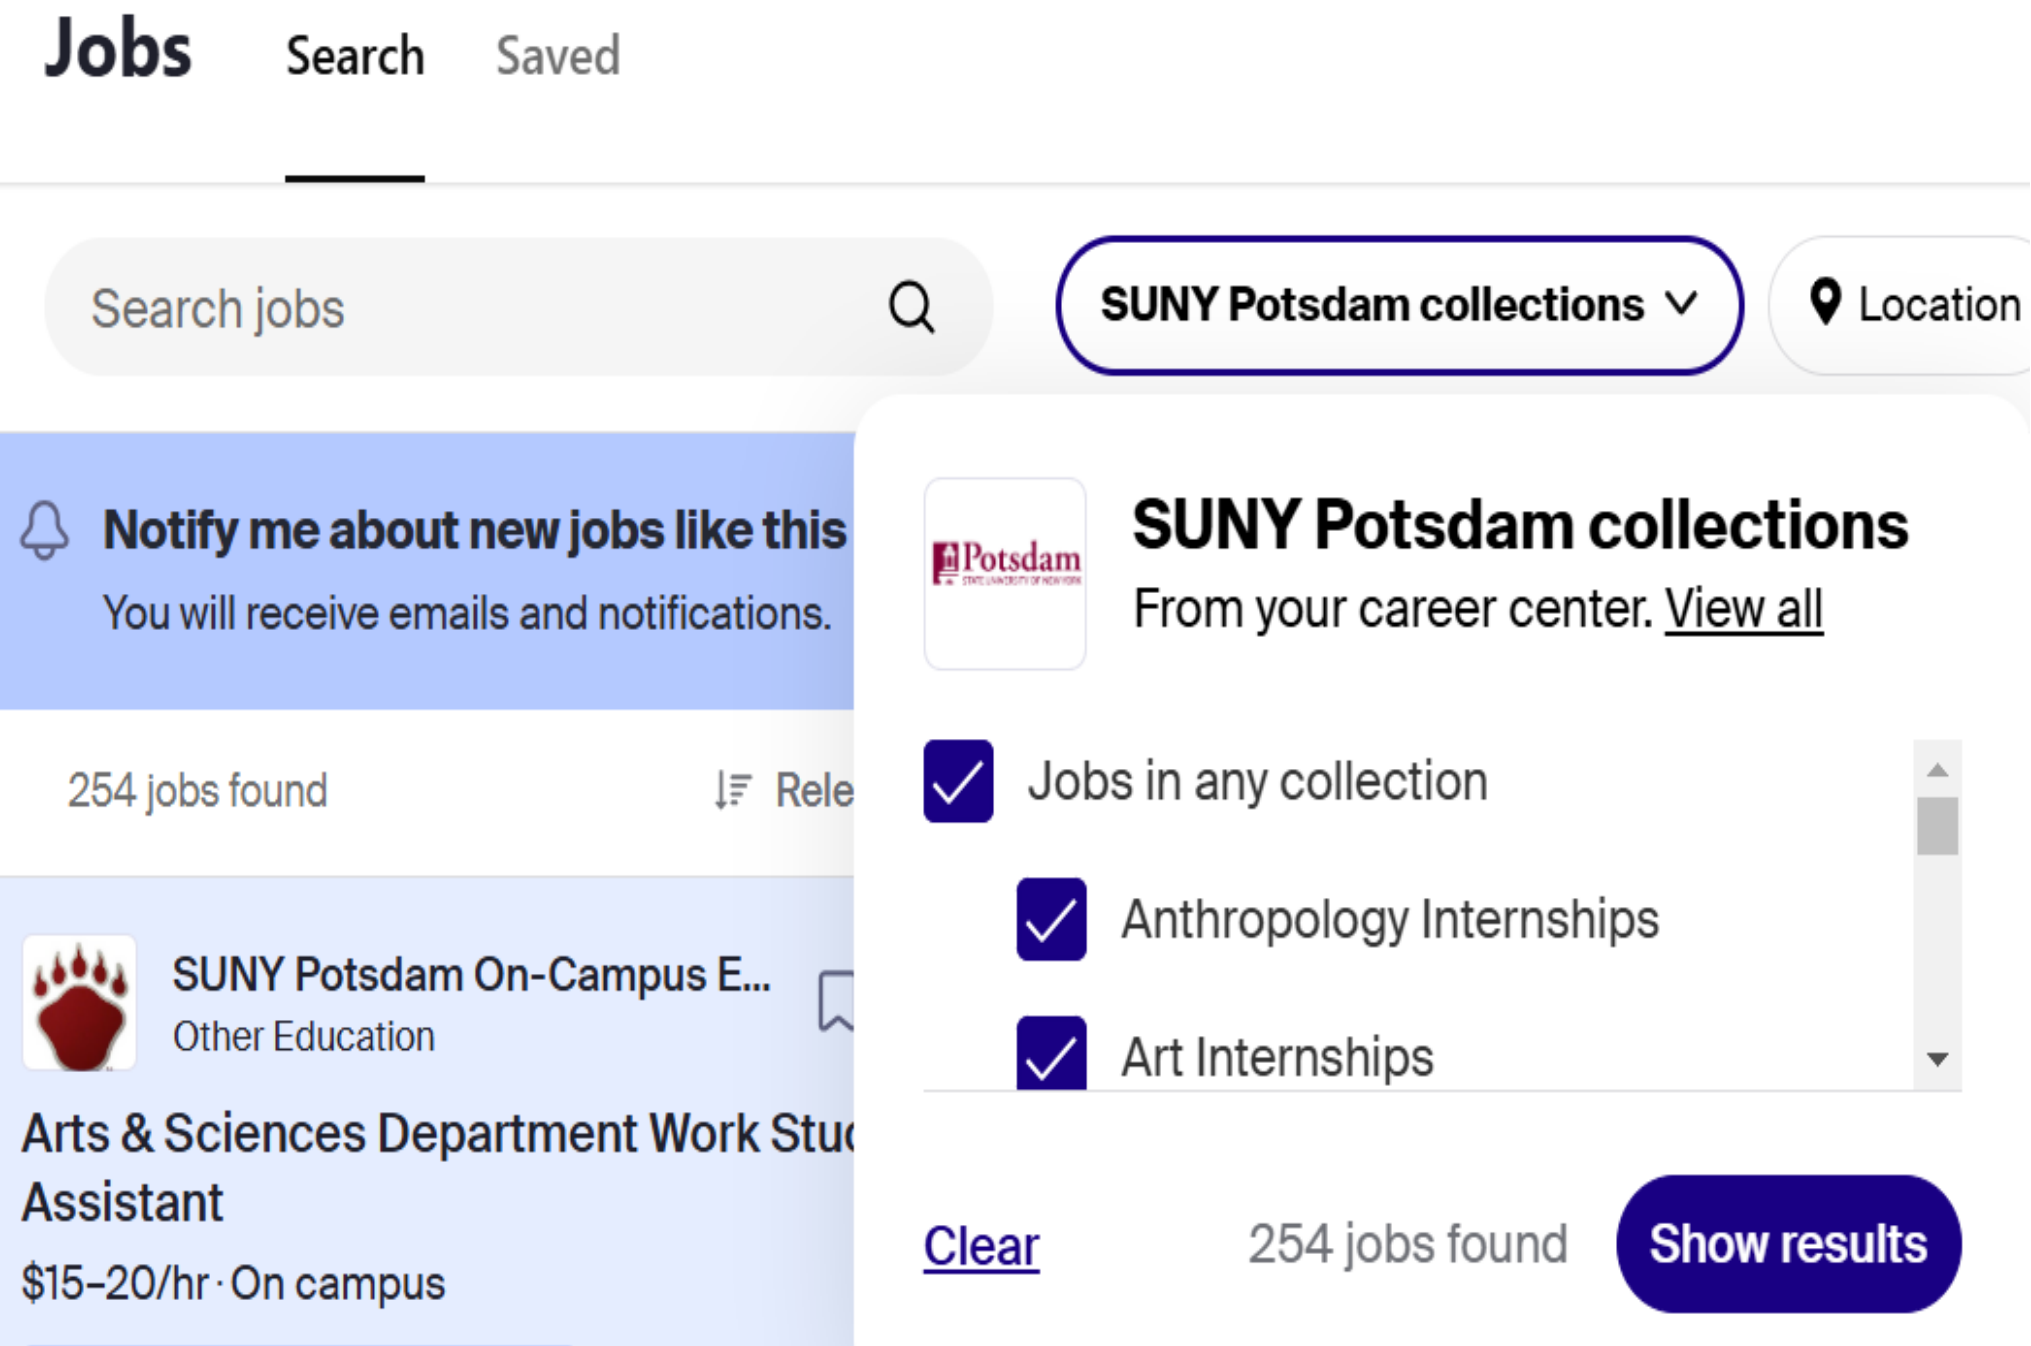

Figure 3: Find Internship's through Collections Feature(Handshake)

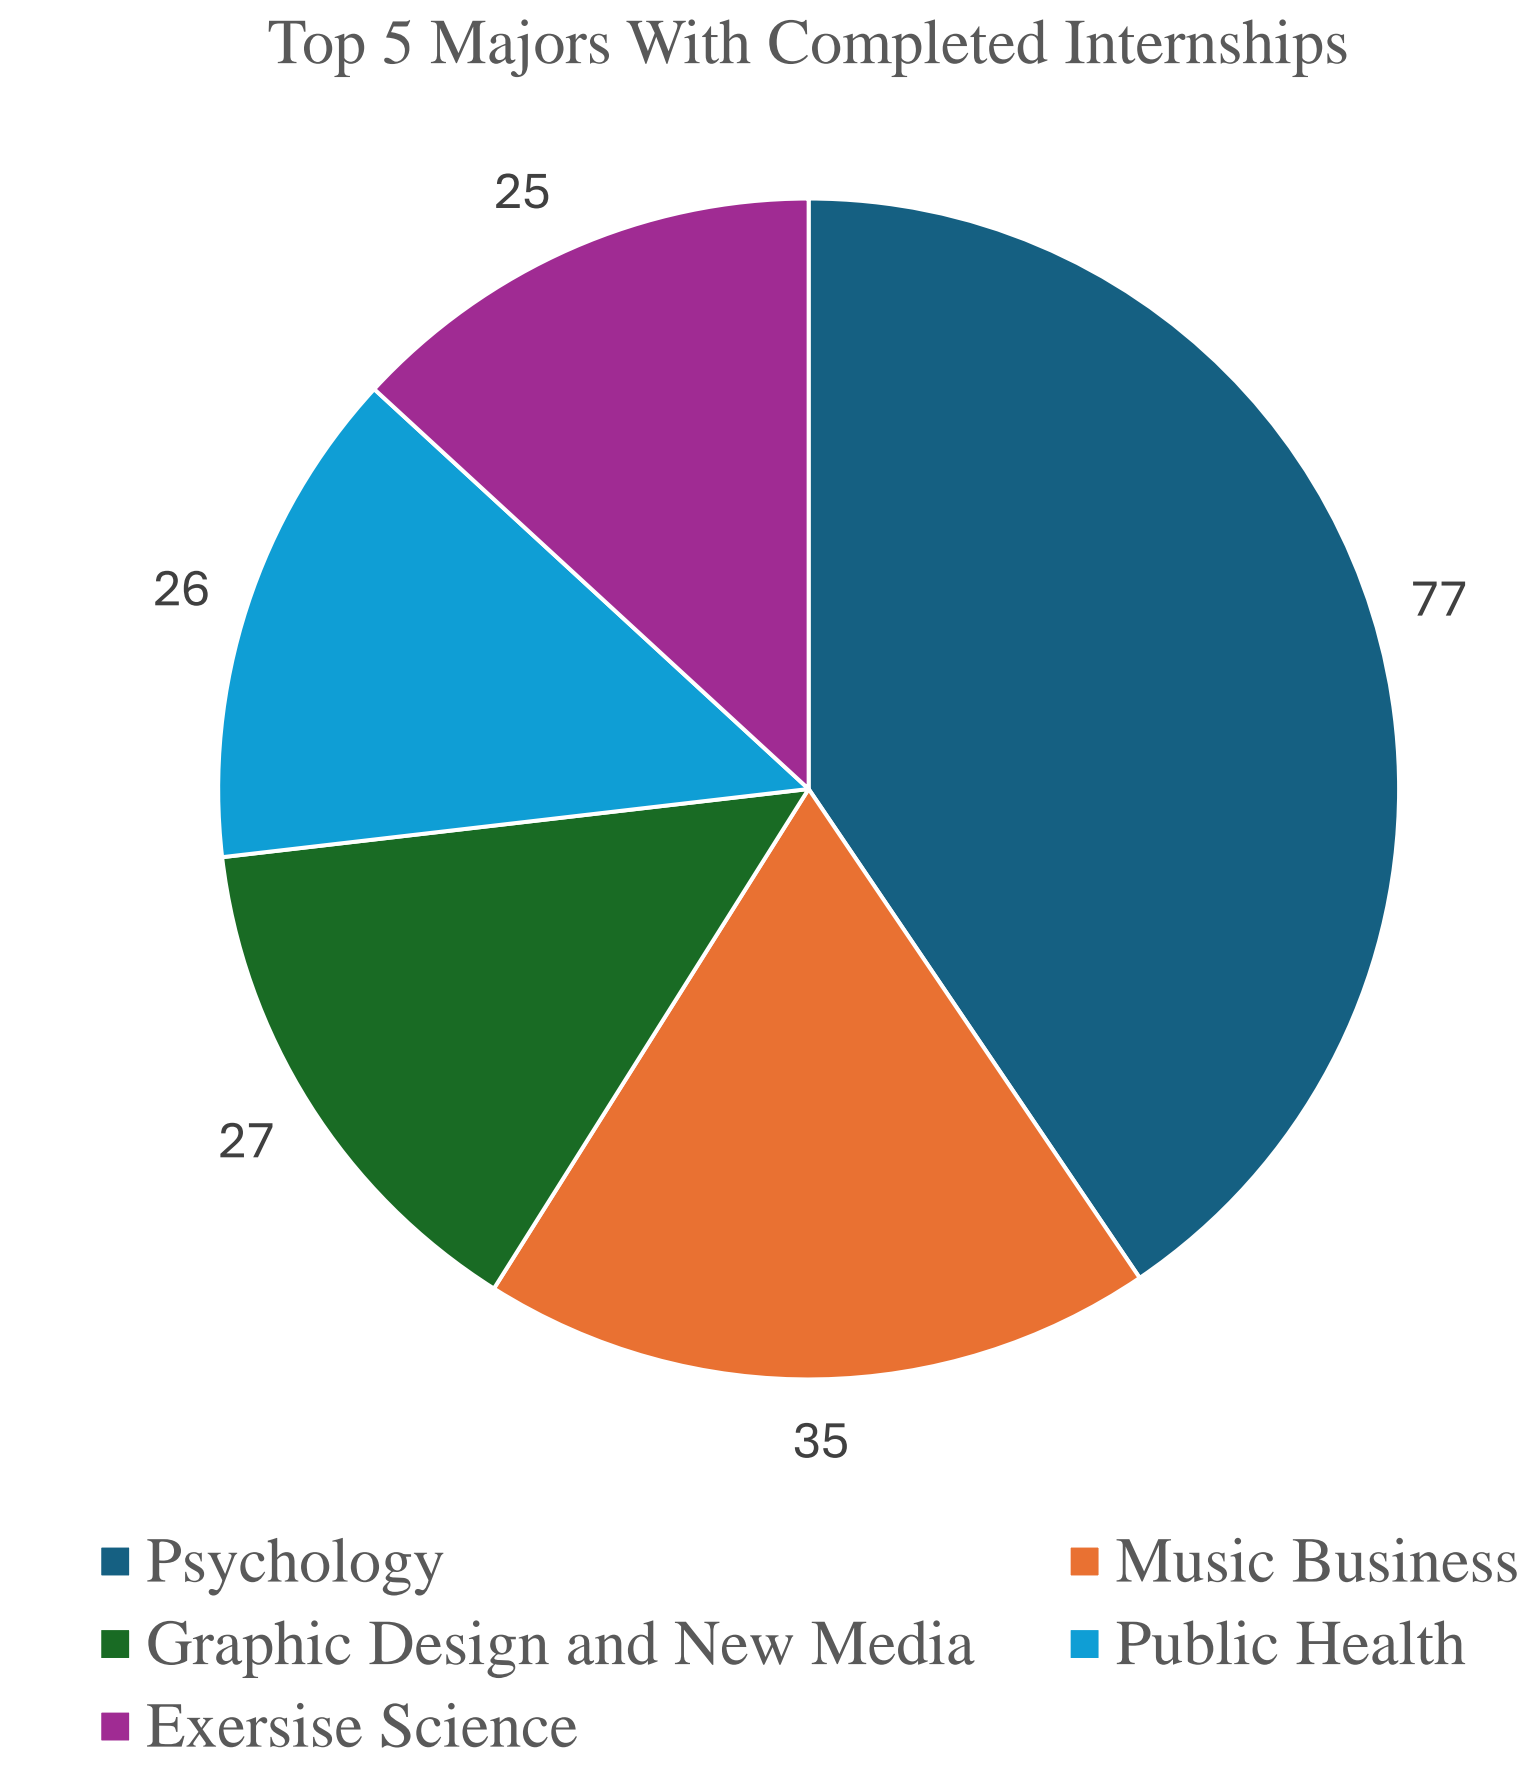

Figure 4: Top 5 Majors with Completed Internships

CONCLUSION

In conclusion I decided to stay with *Handshake* because it satisfies the LoCAL’s needs and is standard in the field.
